

## Shantiniketan Indian School organises Creative Fest 2016

The Shantiniketan Indian School organised a two-day cultural festival titled "Creative Fest 2016" for its students recently. Literary competitions such as story writing, essay writing, pencil drawing and poster designing contests preceded before the on-stage events. Dance events such as mohiniyattom and kuchipudi added colour to the festival apart from skit, mime, classical music and mappilappattu. The inaugural day of the on-stage section commenced with vibrant and pulsating classical dance performances by Ganga of Grade VI-i, followed by other students.

## PEC wins ECO-Star Trophy for energy saving project

The Pakistan Education Centre (PEC) was awarded the ECO-Star Trophy in the Energy Saving category for their Save the Energy project, which sought to create awareness among students about the disadvantages of fluorescent and incandescent bulbs and the need to replace such bulbs with LED lights. The ECO-Schools Program Awards are handed out annually by Doha Bank to recognise schools that play an active role in propagating eco-consciousness amongst students,

and demonstrate a high degree of innovation and creativity in successfully completing their green projects as part of the ECO-Schools Program. PEC principal received the trophy on behalf of the school team, which consisted of Zainab Ali, Fatima Amin, Hafsa Habib, Sana Shehzad, Sana Nadeem, Zoya Naeem, Mahnoor Shahid, Zuha Sattar, Arooj Haroon, and Rameesha Khan. They were supervised by teachers Reema Rashid, Rahat-ul-Ain, Sitwat Sajjad and Nadeem Jaffery.
