## Pakistan Education Centre honours top students

**P**akistan Education Centre (PEC) held its Annual Certificate Distribution Ceremony at Arbab Auditorium recently to honour the students who bagged top three positions in their respective classes in the annual examination. The toppers from KG to Class VIII were awarded merit certificates. PEC Principal Nargis Raza Otho was the chief guest. She bestowed meritorious certificates to the high achievers.

In the last academic session, the overall pass percentage was marvellous. A total of 612 students of KG Wing appeared in the exam and 568 students were declared successful. In Junior Wing, 918 students took the examination and 880 were promoted to their next classes. In Boys Wing, 494 students out of 434 got through the examination.

Nargis Raza Otho congratulated all the position holders. She commended the efforts of the students who performed well in the annual examination. She also expressed her satisfaction on the brilliant performance of the teachers.

## BPS Language Master hones students' skills

**I**nternational Curriculum of Birla Public School (BPS) lays a great emphasis on language proficiency. With this end in view, the curriculum fosters activities that promote learning of English by innovative methods and increasing students' proficiency in it. One of the innovative ways children can be involved in the acquisition of a variety of language skills is "Language Master".

Introduced last academic year, it captured the fascination of both the students and the parents alike; its second edition was held in the School last week.

The competition accompanied by music and supported by visual media, consisted of questions on phonetic transcription, spelling and literary works.

It is structured on the pattern of a

popular Indian television series "kaunbanagacorepati".

Eighty one students of grade 6 competed in the preliminary round out of which 16 qualified for the final.

Antony Biju, who had scored 14 points out of the total 15, won the coveted title 'Language Master' of season 2.

Dharani Murugan, Anagha Dinesh and Gayathri Praneeta were the runner-up.

Principal A K Shrivastava appreciated all the participants for their spirited participation. He said, "It is really amazing to see children of grade 6 possessing great deal of knowledge in phonetic transcription and literary works. This activity is very creative and inspiring and has unlimited potential for encouraging

students to delve deep into language skills and not only for just mastering linguistic skills but even for deepening and extending the frontiers of knowledge"

The "Language Master" was conceived, planned and executed by Ramprasad, English teacher, Interna-

tional curriculum.

Suresh, Cigi, Prameela, Ratheesh, Janis, all I-curriculum teachers, rendered technical and organisational assistance.

George Edison, Vice-Principal, and Durga Sree Mavuru, addressed the participants.
