Students of Al Mahd International School visit Al Shamal Club

Students of Class 3 and 6 of Al Mahd International School, together with their teachers and administrator, visited Al Shamal Club. The students were engaged in fun and interesting activities organised by the club. They played basketball, volleyball, table tennis and participated in other activities that encouraged students to take part in lifelong sport and physical activities, to reduce the risk of chronic diseases in later life.

PEC inaugurates English Language Resource Centre

Aiming to facilitate English language skills of its students, Pakistan Education Centre (PEC) has established the English Language Resource Centre (ELRC). The prime objective of ELRC is to hone oral communication skills of the students so that they can progress; both academically and professionally, in an even better way.

PEC formally inaugurated the centre on May 8, by holding a short, vibrant ceremony. Nargis Raza Otho, the principal PEC, was the chief guest while the vice principals and all teachers of English at PEC made the audience. The ceremo-

ny started with recitation of the verses from the Holy Quran by Hanif Khan, a faculty member from Boys Wing; Moazam Jah, in-charge and resource person ELRC, briefed the guests about the ELRC and shared its work plan precisely; and Raja Nasir, vice principal Boys Wing, shared the progression plan of ELRC. The audience was told that to achieve productive results, ELRC has tailored its own need-based and target-oriented syllabus. The syllabus chiefly focuses on appropriacy of pronunciation and development of functional and academic vocabulary of the students.
