

## **PAKISTAN EDUCATION CENTRE, DOHA -QATAR**

### **International Benchmark Test (IBT) 2015**

Upholding and sustaining the traditional legacy of excellence up to par, Pakistan Education Centre successfully achieved it one more time in International Benchmark Test (IBT) 2015. Students of Pakistan Education Centre, Doha-Qatar have won Distinction and High Distinction Certificates in IBT organized by Australian Council for Educational Research Dubai. Momina Ahmed 4A, Shanza Fatima 4C, Ahmad Areeb Chaudhry 10B, Abdul Rehman Nadeem 10B and Daniyal Hanan Babar 10B got the Certificates of High Distinction in Science. In the discipline of English Hassan Shahid 6C received the certificate of High Distinction. In Mathematics Momina Ahmed 4A whereas Saif Raza Naqvi 3A and Abdul Rehman Nadeem 10B got Certificates of Distinction in English.

(IBT) is an internationally administered programme of the English, Mathematics and Science that benchmarks students' performance against a broad international cohort of students. The (IBT) programme is to assess the performance of students from Grade 3 to 10 against school, national and international standards.

Worthy Principal PEC Mrs. Nargis Raza Otho conferred the certificates among the students; she also congratulated them on their brilliant success as they bring huge laurel to the school. Mr. Naeem Fakhar (Boys Wing) was the overall coordinator of the IBT.
