

Qatar National Day's festivities at Pakistan Education Centre

Pakistan Education Centre always aims to infuse in its students the values of Qatari pride, identity, and citizenship. PEC organized many festivities and programs to celebrate Qatar National Day enthusiastically and whole-heartedly on Wednesday 16th December 2015. The students, faculty and staff celebrated Qatar national day through commemorative words, Qatar History quiz, cultural performances, march past, sports and other traditional activities. Clad in vibrant colourful costumes, students participated in the Qatar National Day celebrations with impressive performances. Reflecting the theme of "One Love", denoting the bond between Qataris and expatriates, the children presented a well-executed parade to mark the celebrations. The session of the day witnessed multiple activities by children. They showcased brilliant performances on songs, cultural shows and dances. Students' performances lasted from 9:30 am till 11:15 am followed by congregation in the grand assembly of all the four wings of the school and the audience was delighted by the games fixed for the faculty members like tug of war, pot breaking and pin the camel tail. The assembly dispersed with the vibrant singing of Qatar national anthem. Traditional food items were also prepared by the students and shared among themselves. Qatari national flags, maroon and white ribbons and decorations were proudly displayed by the students throughout the school.

The scintillating performance and active participation of PEC's students was lauded by The Principal Mrs. Nargis Raza Otho. She admired them for such an overwhelming function and participating in great numbers to make it livelier.
